Are you aware we have a referral program? – this means that if your school refers another school and the other school starts using uEducateUs then we will gift an educational package to your school as a way of thanking you.

Send the referred schools' info through to us or get the referred school to contact support@ueducateus.com.au and tell them to mention your school so we know who referred them.

Our educational packages are handpicked and may consist of Books / Puzzles / Games / Origami / Art supplies / Maths and English resources.

The biggest compliment we can receive is a referral – if you know any schools that could benefit from using our School Management System, please reach out to them
