End of Term 1

Well that was a short and fast paced Term for majority of our schools, blink and it's gone!!!

Next Term it will be time to set up your Semester reports so please reach out if you require some help in this area. Our team will continue to support your school throughout each term break as we only close for a short period at the end of the year.

Stay safe and have a Happy Easter!!

Congratulations !!

Congratulations to Ascot Vale West Primary School, you have won this Terms prize for feedback - an educational package to the value of \$200 and it will be posted shortly.

Ascot Vale West Primary School called us back in February asking for improvement re the Interviews module - a request to be able to easily show why some teachers were not able to be booked by parents. This can happen when a teacher has not been set and our developers have introduced a flag against the class that does not have a teacher allocated for easy reference. Since the changes have been made other schools have noticed the improvement so it has been a great benefit to all. Thank you for your feedback!!!

Customer Feedback Program

The biggest compliment we can receive is a referral:

If you know any schools that could benefit from using our School Management System, please reach out to them

We have introduced a new program this year which rewards schools for providing great feedback that helps us improve our system. At the end of Terms 1, 2 and 3 we will choose a winner.

The lucky recipient school will win an educational package to the value of \$200 as a way of thanking schools for their suggestions and improvements.

Referrals

Are you aware we have a referral program?

How it works:

If a school refers another school and the other school starts using uEducateUs then we will gift an educational package (\$200 value) to the school that did the referral as a way of thanking that school.

Send the referred schools' info through to us or get the referred school to contact

support@ueducateus.com.au and tell them to mention your school so we know who referred them.

Our educational packages are handpicked and may consist of Books / Puzzles / Games Origami / Art supplies / Maths and English resources.
