Issue 17

April 2025

School Management System

Streamline administrative tasks, track attendance, manage assessment and reporting, and enhance communication with parents.

Welcome to
uEducateUs
Newsbytes

End of Term 1

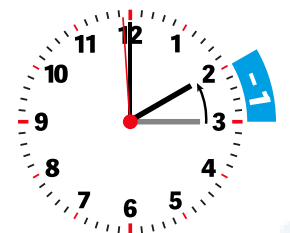

It has been a full and busy start to the year, and just like that we are already at Term 1 holidays! A huge welcome to the new schools that have joined us over the last few weeks. We hope you enjoy your uEducateUs journey and encourage you to reach out to the support team if you require any training or assistance.

As we look forward to Term 2, it is time to start thinking about Semester Reports so please reach out if you need any assistance. Our team will continue to support your school throughout each term break as we only close for a short period at the end of the year. Stay safe and have a Happy Easter!

Check Your Clocks

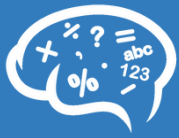

Daylight saving time ends this Sunday, April 6, 2025 for all those in NSW, Victoria, South Australia, Tasmania and ACT.

or raise a support ticket through the uEducateUs platform

uEducateUs

Testimonial

I can let the school know if my child will be absent and for what reason and the school can send me notifications if an event is cancelled.

Tina

On The Road

Our Managing Director, Jason Corbett, has been on the road visiting our schools in the Shepparton and Wangaratta areas, providing an opportunity to share insights, and collaborate on how we can further enhance your experience with our platform. If your school would like a visit or call, please reach out to our support team who will put you in contact with the right person.

Semester Report setup

With Semester Reporting just around the corner it is time to check your setup is complete with our handy Semester Reporting Checklist.

- Quick link: [Semester Reporting Setup](#)

Check out our other handy reporting guides in the Help and Resources section and view example reports and examples of our new custom covers.

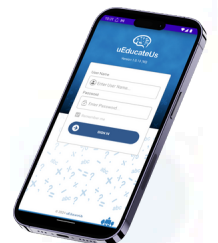

If you need any assistance, please contact our support team and we will walk you through

Mathematics 2.0 - Levels A - D

Levels A - D have been added to Mathematics 2.0 scoring and are ready to be assigned to your students.

System Improvements

Managing Unexplained Absences

The workflow for managing unexplained absences has been improved thanks to some great suggestions from one of our schools!

Improvements include:

- **Today** highlighting today's records
-  adding a shortcut to student's parent contact details
- add the ability to add/edit an attendance note

A new quick guide has been produced and is available under Help and Resources when you search for "Unexplained Absences"

Auto Resolve Incidents Updated

Schools can now select the number of days to wait before auto-resolving incidents for a given Severity, increasing flexibility in managing your incidents log.

The biggest compliment we can receive is a referral:

If you know any schools that could benefit from using our School Management System, please reach out to them

Referrals

Are you aware we have a referral program?

How it works:

If a school refers another school and the other school starts using uEducateUs then we will gift an educational package (\$200 value) to the school that did the referral as a way of thanking that school.

Send the referred schools' info through to us or get the referred school to contact support@ueducateus.com.au and tell them to mention your school so we know who referred them.

Our educational packages are handpicked and may consist of Books / Puzzles / Games Origami / Art supplies / Maths and English resources.
