

uEducateUs

Issue 18

November 2025

School Management System

Streamline administrative tasks, track attendance, manage assessment and reporting, and enhance communication with parents.

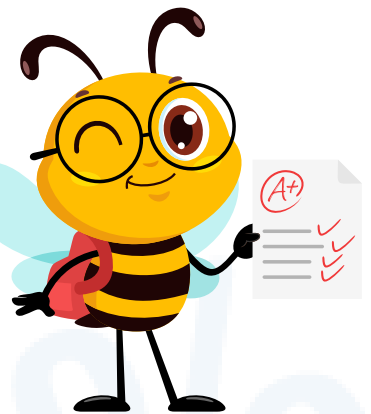

Welcome to uEducateUs Newsbytes

Welcome to Term 4

This year has flown by and here we are about to embark on another season of Semester Reporting.

Our customer support team are here to assist with your enquiries so please reach out if you require some help with your end of year reports and processes!

CHRISTMAS HOLIDAY CLOSURE DATES

The team will be having a well-deserved break and the uEducateUs office will be **closed** from:

- Monday **December 22nd** 2025 and reopening
- Monday **January 12th** 2026.

2026 eduHub changes.

We have been in discussion with the department to migrate uEducateUs schools to their eduHub v2 data set. We are working towards migrating all schools early 2026. This will also see us adopt a separate method of reporting your daily attendance to the department. More information will be issued to each school when a migration date is expected to occur.

or raise a support ticket through the uEducateUs platform

uEducateUs

Testimonial

I can let the school know if my child will be absent and for what reason and the school can send me notifications if an event is cancelled.

Tina

Payment Management System Tax Invoices

Tax invoices for your monthly payment gateway fees are now available from the payment management system. These also provide you with reconciliation information to assist with your end of month processing.

Child Safety Policy

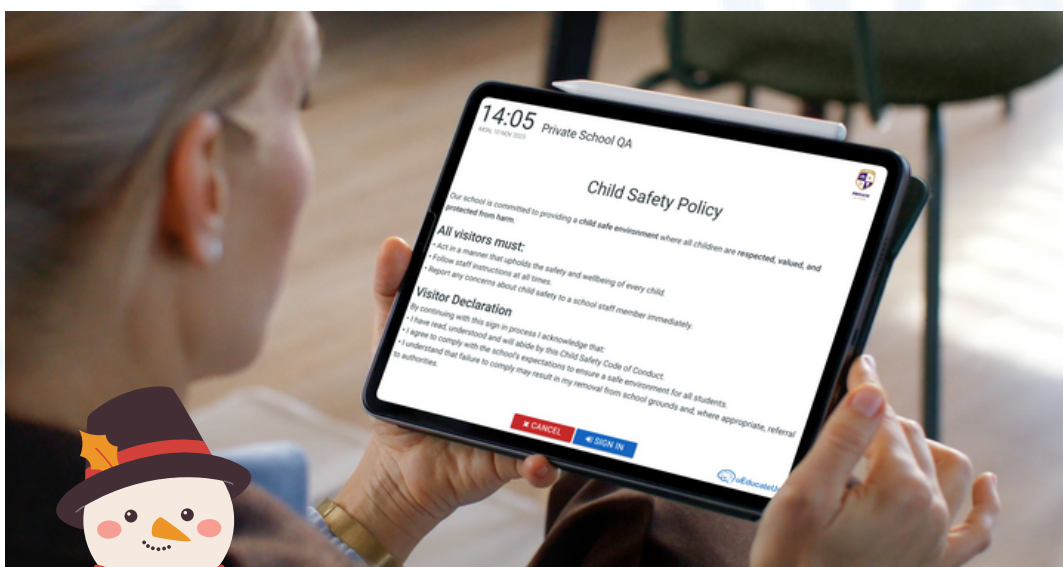

New!

We've introduced a new feature to support schools in meeting Child Safe Standards.

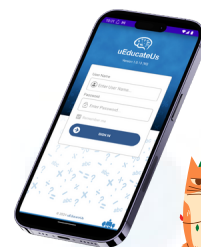

Schools can now include their their Child Safety Policy information or include a (PDF) of the policy, making it visible to all visitors during the sign-in process.

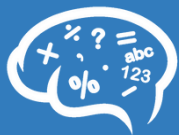

Before completing their sign-in, visitors are required to read and agree to the policy, ensuring everyone entering the school understands and supports your commitment to child safety.

This feature helps schools promote a safe environment and meet compliance requirements with ease.

Testimonial

The tasks parents need to accomplish are all within one app on their phone or mobile device. Parents are enjoying the experience of using uEducateUs .

Anthony

Annual Survey

Share Your Feedback!

We want to hear from you! Our annual school survey is now open, giving you the chance to share your thoughts and help us improve.

As a thank you, all participants go into a prize draw to win a \$200 education package. Your feedback is valuable, and completing the survey only takes a few minutes.

PRIZE

Module Insights

New!

We've added a new section to the **Student Overview** called **Module Insights**.

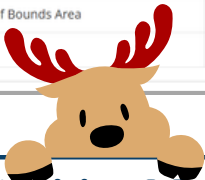

This feature brings together all well-being modules and some others into one convenient location, giving you a clear and organised view of what has been recorded against the student.

All records are displayed in date order, making it easy to track and review entries from:

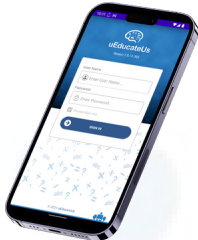

- Behaviour
- Incidents
- Case Notes
- First Aid
- Medication Logs
- Documents
- Notes

In many cases, this provides a faster and more efficient way to view what has recently been recorded than accessing each module individually.

System Improvements

Term attendance percentage overview

The attendance percentage per term will be enabled for all schools going forward. If you wish for this to be disabled, you can do so under School Preferences > Student Overview.

Attendance percentage per term

Term 1	Term 2	Term 3	Term 4
85.9%	87% ↑ 1.1%	80.7% ↓ 6.3%	87.8% ↑ 7.1%

Digital forms

We're excited to announce a new communication option coming later this month!

The Digital Forms feature will allow schools to easily create and manage forms for all user types within the system – including students, parents, teachers, and administrators.

Forms can be customised for a single user type or shared across multiple groups. Once completed, schools will be able to view and export submission statuses and responses for easy reporting and record keeping.

Examples: Update to Permissions, Terms and Conditions, School Council Elections and Surveys.

Referrals

Are you aware we have a referral program?

How it works:

If a school refers another school and the other school starts using uEducateUs then we will gift an educational package (\$200 value) to the school that did the referral as a way of thanking that school.

Send the referred schools' info through to us or get the referred school to contact support@ueducateus.com.au and tell them to mention your school so we know who referred them.

Our educational packages are handpicked and may consist of Books / Puzzles / Games Origami / Art supplies / Maths and English resources.

The biggest compliment we can receive is a referral:

If you know any schools that could benefit from using our School Management System, please reach out to them
